Dear Families,

On Friday, December 18<sup>th</sup>, during fifth and sixth periods, the Patriotic Wolves will watch the movie *Elf*. This movie is a heartwarming story in which the main character, Buddy, uses the “Seven Habits of Highly Effective People” as he is forced to reevaluate his own priorities in life. We teach and utilize these seven habits throughout our school year in order to help young people become effective and successful students.

Please give the student below permission to participate in this viewing, and we appreciate all that you do to make our team such a success.

Thank you for your help with this experience!
